An unique and unforgettable sunset

Visiting: Port, Peninsula, Brava Beach, La Mano monument, the coast, the Barra de Maldonado, the Beverly Hills neighborhood, Mansa Beach, Punta Ballena.

Duration: 4 hours

DEPARTURES:

Daily subject to sunset and the season`s time

ITINERARY:

- We start visiting the Port and its surroundings, a lovely place with restaurants and nightclubs.
- We continue to the Peninsula, the center of Punta del Este, the Lighthouse, the Cathedral Nuestra Señora de la Candelaria, the meeting of the Río de la Plata River with the Atlantic Ocean. Then we will go to admire the most emblematic monument of Punta del Este: La Mano (The Hand). It's a stop where you can have some free time and take photos.
- We will go to the Brava Beach, until to arrive at the ondulated bridge in the Barra de Maldonado.
- Surrounding Mansa Beach, we will go to Punta Ballena where you will find Casapueblo, a unique building, the house and museum of the artist Carlos Pàez Vilarò. You can visit the museum (entry cost 10 USD) where you can admire his works, paintings, and literature. Missing 10 minutes at sunset you will hear a poem dedicated to the sun written by the artist himself.
- Return to Montevideo and to the hotels.
- The departure times are according to the time of the year, to coincide with the sunset.
