

Urban landscape

Historical and Cultural Heritage

Cradle of artists and bohemians, its streets show us an extraordinary urban landscape of tree-lined streets, beaches and parks that combine in a unique city.

Daily in the morning or in the afternoon, we invite you to discover the city of Montevideo, capital of the eastern republic of Uruguay, administrative headquarters of Mercosur. Founded between 1724 and 1730, it preserves part of its architectural and cultural heritage.

DEPARTURES:

Daily from 7:40 AM or from 01:40 PM

ITINERARY:

- To discover Montevideo, we start our tour in the Old Town, from the City's Port at the Mercado del Puerto (main gastronomic center in the city), to the Matriz Cathedral, Independence Square, main street Av. 18 de Julio (the main commercial place of the city) and then we continue to the Legislative Palace, the National Congress inaugurated in 1925 by the Arq. Cayetano Moretti. It's considered the third most beautiful Congress in the world.
- Then we'll visit the Mercado Agrícola, considered as National Historic Heritage. We'll give some free time.
- From there we'll visit the Centenario Stadium, declared World Futbol Monument.
- Then we'll go to Batlle Park where you can make some photos to the sculpture La Carreta.
- It is advisable a short stop for a photo at the Montevideo's poster with a beautiful and enjoyable setting of Pocitos Beach and The Kibon Center.
- Finally we'll cross through the modern Carrasco neighborhood, to return to the Downtown visiting the panoramic Montevideo Rambla (Promenade).
- Return to the hotels and end of our services.
- Optionally we can leave you in the Montevideo Shopping Center or in the Punta Carretas Shopping Center.
