

An unique experience

**Stony mountain ranges, oceanic influence**

**You can discover a wonder in the middle of the stony mountain ranges of Pueblo Edén, 30 minutes from Punta del Este's downtown.**

The mineral nature of its grounds and the oceanic influence make the ideal conditions for the creation and sustainable production of wines of a unique style.

*Viña Edén is located on the panoramic route 12 that begins the Atlantic Ocean and makes its way between the mountain ranges, an extraordinary place to live a unique experience.*
