

The fourth generation of the Pizzorno family continues a family legacy of love and respect for the nature.

Departure from your hotel - pick up time to be confirmed - just 20 kilometers north of Montevideo on Route 5 we will arrive at the Pizzorno Winery.

A local guide will be waiting for us and will show us the different vineyards.

We will see the planting process, the cultivation and transformation of the grape until it reaches the bottle for sale.

After the technical explanation, we will have the appropriate opportunity to taste different wines with typical products of the region.

Ask for: premium tasting, sweet tasting and stay.
